BRIEF ABSTRACT OF LETTER.

Solicits sanction for transferring the third class Traveller's bungalow at Muthodi to the management of the Forest Department as it is not much resorted to by the traveling public.

NOTES AND ORDERS.

1) The inspection Lodge at Muthodi was handed over to the District Board and converted into a third class Travellers Bungalow in accordance with the principle laid down in G.O. No. para 2 of 16042-53/L.F 69-97 dated the 13th May 1903.

Now the District Board find it difficult to maintain the building and also consider it not very necessary to do so. The Conservator of Forests opines that it may be ~~handed~~ taken over by the Forest Department.

2) The Dy Commr suggests that the building may be handed over to the Forest Deptt subject to the reservation that it may be made available for travellers who may very occasionally visit the place. Though the DT Bd make no mention of such reservation. It would rather be inconvenient to permit the use of the building for different purposes which may conflict with one another occasionally.

3) As the proposed transfer may involve extra recurring expenditure to the Forest Deptt in case it maintains a caretaker to look after the building, branch II will have to be consulted before according sanction.

Office of the President,
Kadur District Board,
Dated Chikmagalur 7th December 1914.

From,

K. Krishna Iyer, Esquire,
President, District Board.
Kadur District.

To,

D.M. Narasinga Rao, Esquire, . B.A.B.L.
Offg. Secretary to Government, General and Revenue
Departments, in Mysore, Bangalore.

Sir,

I have the honor to state that there was an inspection lodge at Muthodi in the Chikmagalur Taluk belonging to the Forest Department which was converted into a Third class Travellers Bungalow as per Government Notification no. 244-LF 69-97 dated 16-7-1903 and is since being maintained by the District Board.

In consideration of the fact that this Bungalow is situated in the midst of dense forest and is frequented only by Shikaris and not by the general travelling public the Board were agreeable to make it over to the Forest Department if they wished to take it back and maintain it themselves.

The Conservator of Forests who was consulted through the District Forest Officer has consented to the proposal. (Copy of his letter to the District Forest Officer is herewith forwarded).

2

The District Board resolved at their meeting convened on the 23rd November 1914 that the sanction of Government may be obtained for the retransfer. (Copy of their resolution is herewith submitted.)

It is a burden to the District Board to maintain this building under the present poor condition of the Boards finances when it is not of much use to the general public and the retransfer of the building in question may be sanctioned and the Forest Department be requested to make it available for being occupied by travellers who may very occasionally visit the place.

I therefore request that early orders of Government may kindly be passed in the matter of the retransfer of the building.

I have the honor to be,

Sir,

Your most obedient Servant,

President,
District Board.
Kadur District.
